## About us

SONA Pure Essentials is a World of Health & Wellness founded in September 2021, by Surabhi Gupta, a passionate entrepreneur at heart with a VISION to extend the essence of mother nature & MISSION to deliver 100% natural & certified organic products of exemplary quality, right at your doorstep across pan-India; promoting healthy lifestyle for all.

## Our Strengths

Our Ecosystem at SONA Pure Essentials works closely with farmers, beekeepers & rural women to empower them with proper livelihood. The entire product range is proudly made in India and extracted according to traditional, Vedic methods & ISO Certified Dairy and grown in natural soil without any pesticides, chemicals or flavours; hence richer in antioxidants & micronutrients. We diligently ensure quality standards through periodic reports from NABL accredited Labs. Our product packaging is completely Eco-friendly promoting sustainability at the grassroot level thus, making world a better place to live in!

*Thank you*

**Dear Patron,**

Greetings of the day!

**Thank you for choosing us as your health partner!**

Your purchase has helped us in empowering rural women and creating a fulfilled life for our farmers and bee-keepers. We have just embarked our journey with baby steps. It truly feels humbling to be a part of your well-being. We couldn't have made it possible without your support and love.

Hope, you have a good experience of using our authentic, 100% pure and natural products.

**Healthy blessings your way!**
